

## **SEMBCORP'S RENEWABLE ARM IN INDIA BAGS AWARDS FOR ITS SOCIAL IMPACT AND SAFETY INITIATIVES**

**Gurugram, March 31, 2022** – Sembcorp's renewable energy arm Sembcorp Green Infra Ltd (SGIL) has won two social impact awards and an international safety award in recognition of its efforts towards sustainable operations.

Commenting on the wins, **Vipul Tuli, CEO – South Asia, Sembcorp Industries** said "Empowering local communities and enabling them to improve their livelihoods have remained a key societal priority for Sembcorp. These recognitions will further encourage us in our community and the environmental commitments".

Emphasising on health, safety, and wellbeing of its people and communities being the foremost priorities for Sembcorp, while ensuring uninterrupted power generation during the pandemic, he added "During these unprecedented times that impacted all businesses, the dedication, discipline, and courage of our employees have helped the company maintain business continuity with the highest standards of health and safety."

**Mike Robinson, Chief Executive of British Safety Council**, congratulated Sembcorp on their success in winning an International Safety Award 2022 with a Distinction, "The British Safety Council applauds Sembcorp Green Infra on their achievement. The award is in recognition of their commitment and hard work to keep their employees and workplaces free of injury and ill health. The vision of British Safety Council is that no one should be injured or made ill through their work – anywhere in the world. Achieving this requires more than complying with legislation; it means people committed not only to health and safety but also more and more to workplace wellbeing and impelling others to follow suit. Our heartfelt congratulations to Sembcorp Green Infra. All of those working at Sembcorp should be enormously proud of their achievement."

Indian Chambers of Commerce (ICC) presented the winner's trophy to SGIL for its positive impact of its Employment Enhancing Vocational Skills CSR programme, under the Mega Enterprise Category during the 4th ICC Social Impact Summit held in Kolkata. The company's Environmental Sustainability CSR programme was also awarded a runner-up trophy. Mr Sanjay Budhia, Past President, Indian Chamber of Commerce presented the awards to SGIL, in the presence of eminent dignitaries like Ms Rowan Ainsworth, Deputy Consul General of Australia and Mr Nakamura Yutaka, the Consul General of Japan.

Adjudged by an eminent jury panel comprising leading domain experts in CSR, the recognition is a testament of the programmes run by Sembcorp across its various operational areas. The ICC Social Impact Awards is one of the highly coveted CSR awards that recognise the excellence of the organisations in the sphere of social investment, CSR, and sustainability.

In the area of workplace health and safety, Sembcorp was presented the International Safety Award by the British Safety Council, for protecting its employees across its renewable operation sites from the risk of injury and ill health at work during 2021. The International Safety Awards recognise and celebrate organisations across the globe which have demonstrated their commitment to preventing workplace injuries and work-related ill health in the previous calendar year. The 64th edition of the awards saw more than 640 applications from 39 countries across diverse industries including construction, manufacturing, oil, gas, mining, power, and utility sectors. This award is a testament of SGIL's commitment to occupational health, safety, and wellbeing.

## **Sembcorp in India:**

Sembcorp Industries (Sembcorp) is a leading energy and urban solutions provider, driven by its purpose to do good and play its part in building a sustainable future.

Headquartered in Singapore, Sembcorp leverages its sector expertise and global track record to deliver innovative solutions that support the energy transition and sustainable development. By focusing on growing its Renewables and Integrated Urban Solutions businesses, it aims to transform its portfolio towards a greener future and be a leading provider of sustainable solutions.

In India, Sembcorp has established itself as a leading independent power producer (IPP) committed to India's energy transition. Its India operations have a balanced portfolio of conventional and renewable energy assets totalling about 5GW capacity in operation and under construction, led by a strong management team with extensive experience. Through its wholly owned subsidiaries Sembcorp Energy India Limited (SEIL) and Sembcorp Green Infra Limited (SGIL), the company has established a successful track record of identifying, developing and operating power generation assets across thermal and renewable power sectors in the country.

Globally, Sembcorp has a balanced energy portfolio of over 15GW, with more than 5.7GW of gross renewable energy capacity comprising solar, wind and energy storage. The company also has a proven track record of transforming raw land into sustainable urban developments, with a project portfolio spanning over 13,000 hectares across Asia.

Sembcorp is listed on the main board of the Singapore Exchange. It is a component stock of the Straits Times Index and sustainability indices including the FTSE4Good Index and the iEdge SG ESG indices.
